# PAEDIATRIC CEILIDH 2011

**Céilidh** or **ceilidh** (English pronunciation: /'keɪlɪ/): a traditional Gaelic social gathering, which usually involves playing Gaelic folk music and dancing.

The East Midlands Paediatric Ceilidh has been running for many years and is a fantastic opportunity for all those working within Paediatrics in the region to come together and enjoy a night of good food, wine and most importantly dancing! We hope you will be able to join us for this important event.
